## SUMMARY

Aspiring Full Stack Web Developer with a strong foundation in front-end and back-end technologies including HTML, CSS, TailwindCSS, JavaScript, TypeScript, React.js, Node.js and Next.js.

Currently interning at CodeAlpha, gaining hands-on experience in web application development and collaborating on real-world projects.

Transitioned to the IT field in August 2023, bringing a unique blend of technical and operational skills from my previous role as a WeightrIDGE Operator at Barket Fertilizer.

Eager to contribute to dynamic IT projects and further grow as a developer.

## EXPERIENCE

### CodeAlpha, India — Web Development Intern

 09/2024 - Present

- Developed and optimized 3+ web applications, improving performance by 20%.
- Collaborated with a team of 5 developers on client projects, meeting 100% of deadlines.
- Implemented responsive designs, enhancing user experience across mobile and desktop platforms.

### Barket Fertilizer, Port Qasim, Karachi — WeightrIDGE Operator

 03/2024 - Present

- Processed 100+ vehicle weigh-ins daily, ensuring accurate stock and dispatch records.
- Improved loading/unloading efficiency by 15% through effective coordination.
- Maintained 100% accuracy in weight and inventory reports.
